

16th March 2011

Building News!!!!!!

Dear Parents and Carers

Our planning application was fully approved on 15th March 2011. This means that the new academy will go ahead in line with our expectations.

The area of the Glebe on which the Academy will be built, will be cordoned off in April, during the Easter break. The planned start date is the 9th May. During the building program, the existing Weekley Glebe site will be unaffected. Our contractors, Willmott Dixon have promised that disruption to our neighbours will be kept to a minimum, but obviously a project of this size will cause some disturbance.

The new building should be ready for occupation in January 2013 – exciting times! Once the move has been completed, the existing buildings will be demolished and a new all-weather football pitch installed.

We have two web addresses for you to view.

- www.ketteringbuckleuch-academy.org This is the Academy website. If you go into the 'Community' area and then 'New Build', there will be information, including the CGI fly-through of the new building.
- www.buckleuch-academy.co.uk/index.php . This is our contractor's website for the build – very entertaining it is too! It also gives you the opportunity to submit questions and concerns

Please take the time to visit these sites and keep up to date with this fantastic project. If you have any questions, please do not hesitate to contact me at the Academy (Extension Phase).

Yours faithfully

Mr M Slater
New Build Project Manager
