

Kettering Buccleuch Academy

The best in everyone™

A member of United Learning Trust

September 2011

Dear Parent/Guardian

Now that your son/daughter has started at Kettering Buccleuch Academy they have access to our computer facilities. Students use the computers in a variety of lessons and also in one ICT lesson a week.

- The lessons will often involve using the internet to research topics
- We filter out unsuitable material but it is impossible to deny access to all inappropriate websites
- Parental permission is required before a student is allowed internet access
- Students need to agree to use the facilities responsibly

Failure to abide by the rules will mean that internet access is denied (for up to 3 weeks for a first offence). Clearly, this will have an impact on your son/daughter's education.

Please could you discuss the attached Acceptable Internet Use policy with your child and sign and return to your son/daughter's form tutor as soon as possible.

Yours faithfully

Miss D Cotter
